September 2005

Meeting Notice

The September meeting will be held at the Paramount Arts District, 913 West St. Germain, St. Cloud Minnesota, September 28th at 7 p.m.

The executive meeting will be held at 6:30 pm to discuss administrative issues. All are welcome to attend this also.

The digital users group meets on the third Thursday of each month. This will be September 15th at 7pm at Bill's studio.

There isn't a photo assignment for this month as things will be focused on the election of new officers, but feel free to bring photos to share for afterwards.

No need to keep you copy of The Image! Barry has archived them on the camera club website! This will, little doubt, make many of our lives easier.

For those who don't use computers and email, LaVona Sherarts has offered to telephone members with information. Her phone is 320-255-1964. Let her know if you would like to be called.

Information:

The August meeting was called to order at 6:30p.

Those with bills for the club were told to submit them to Bill Henrichs for reimbursement.

Ryan will hang the Camera Club show at the Foley City Hall on Friday September 2nd. He asked the group for help with this, as it is a lot of work for a single person.

Barry will be doing a major update of the photographs on the website after the September meeting. This is the time to bring in that CD of photos!! If you can't bring them to the meeting

please try to get them to someone who will be there so Barry just has to do this once.

Carol will head up the nominating committee for next year's club positions. Anyone who wishes to run for a club office or wants to nominate him or herself can contact Carol at 320-251-9083 or email her at image@cloudnet.com. Elections will occur at the September meeting. Several positions were discussed at the August meeting, to be finalized next month.

Marly Keller headed up the St. Cloud Library show, which is now hanging and looks great. It will be up through the end of the month.

Mandy announced that if you would like to hang some photographs at the Witney Center you can contact her to facilitate this.

We decided to post a list of contests on the website. Anyone who knows of a contest please submit the details to Barry. Carol put together a great list – these are at the end of this newsletter.

Call or e-mail Carol Weiler with other suggestions for programs: 251-9083. If you have a short topic you would like to share / discuss this can be set up for just about any meeting.

Other Items:

Treasurer's Report: There is a balance of \$935.14 in the bank. The report was approved by the group.

The digital user's group will be regularly scheduled on the third Thursday of each month at 7pm at Bill's studio.

Several members had shows up last month around town. These were announced to the group.

Several opportunities for displaying photos were discussed. Carol will contact these and get back to the group.
