## Meeting Notice

The April meeting will be held at the Paramount Arts District Parking Lot, 913 West St. Germain, St. Cloud, Minnesota. April 26<sup>th</sup> at 7 p.m.

Please bring recent photos to share. This meeting's theme is "Snowscapes". Also, there seemed to be lots of questions and discussions about camera gear and techniques at the last meeting. Feel free to bring in your camera if there are any topics related to it that you'd like to discuss.

The executive meeting will be held at 6:30 pm to discuss administrative issues. All are welcome to attend this also.

Also – there will be a digital users group meeting on Thursday April 20<sup>th</sup> at 7pm at George and Bill's studio. All are welcome to attend. If you need directions Barry has posted a map both on the [Camera Club website](#) and at the digital users group webiste – [www.digitalphotouser.com](http://www.digitalphotouser.com)

No need to keep you copy of The Image! Barry has archived them on the camera club website! This will, little doubt, make many of our lives easier.

For those who don't use computers and email, LaVona Sherarts has offered to telephone members with information. Her phone is 320-255-1964. Let her know if you would like to be called.

## Information:

The March administrative meeting covered a good bit of ground. Plans were laid out for the upcoming US Bank, Paramount and Foley shows.

Most pressing of the dates related to these is the US Bank Show. You need to e-mail the information for your photo cards as well as an artist statement to [Steve Fines](#) by April 23<sup>rd</sup>. They are being printed at

White House in St. Paul so I **will not** be able to accept any late cards.

If you cannot come to the hanging which is Monday May 1<sup>st</sup> at 3:30 pm then you need to bring your photos to the April 26<sup>th</sup> meeting. Please bring them protected with cardboard / bubble wrap or the like.

All the rest of the details related to the show are on the [Camera Club Website](#) – just click on the "Discussion" link on the left hand side of the page.

Also in the discussion board on the website are several other announcements - Minnesota State Fair registration, photo shows in the Cities, local photo opportunities, and so forth. Take a minute to browse around, register and add your own two cents!

## Treasurers Report:

It was given at the meeting and sounded legit, but I don't have a copy in front of me as this is being sent out. I'll get it in the next Image.

LAST CHANCE for a while: Barry is going to do a website photo gallery update in the near future with photos that folks bring in. After that he's going to be busy with several other projects and won't be doing any updates in the near future. Bring in your CD's! Also, make sure to take a look at the discussion board on the [website](#) for all the details on how to properly format and submit your images.

## Other Items:

Volunteers are needed for the upcoming shows at the bank and the Paramount. If interested in helping with hanging please contact [Carol](#).

Help wanted: The Tri-County Humane Society is looking for a volunteer to take photos of animals as they come in to be put on the adoption web site. Anyone who would like to help please contact the Humane Society at 252-0896 or via their website at [www.tricountyhumanesociety.org](http://www.tricountyhumanesociety.org)

Members discussed the topic of having a long-term goal for a show, such as the St. Ben's showing, as a great way to keep focus and to really look at the content of their work. If anyone has an idea for a venue to hold another long-term project show please let Carol know. Also keep in mind possible themes and ideas.

Ideas shared: Disposable Camera Show- Letting the content of the work versus the technical aspect be the focus.

Call or [e-mail](#) Carol Weiler with other suggestions for programs: 251-9083. If you have a short topic you would like to share / discuss this can be set up for just about any meeting.

Carol also sent this in "...Whitney Senior Center is looking for photography exhibitors. If you are interested, please contact: Reena Shetty 320-650-3074.
